Parent Notification Regarding Your Student's Teacher

Dear Parent:

The federal Every Child Succeeds Act requires all schools to notify parents or guardians if their child has been assigned to or has been taught for four consecutive weeks by a teacher who is not considered "highly qualified" for that specific subject area. While there are a variety of ways in which a teacher can demonstrate that he or she is "certified and licensed" in a given subject, the requirement is considerably more difficult to meet for a teacher who is responsible for teaching several core subject areas. Special education teachers and bilingual education teachers in particular are affected by this requirement.

The purpose of this letter is to notify you as required that Mr./Ms. _____ is not currently considered "certified and licensed" in one or more subjects being taught to your son or daughter.

Please be assured that this does not mean this teacher is not qualified for this assignment. Mr./Ms. _____ does meet the Ohio requirements for this position. Given his/her professional experience and local reputation, we believe that your child is receiving a high-quality education in his/her class.

If you have any concerns regarding this information, you have a right as a parent to review the qualifications of your child's teachers. Please feel free to contact me with any questions or concerns.

Sincerely,

Head Administrator
